Immediate Response Information System
by TechRadium, Inc.

2013

In the modern world, schools sometimes need to get information to parents as soon as possible. To facilitate this need, **St. Theresa Catholic School** has partnered with a rapid communication system called IRIS-Immediate Response Information System. This system will deliver emergency messages to parents individually by the communication method(s) of your personal choosing. Should schools need to close early due to weather, for example, this system would notify you by your choice of home phone, cell phone, or email. In addition, schools may use the IRIS system to keep you up to date on important school wide information or changes related to groups in which your child participates.

All students will be entered into the IRIS system. We will be sending a test message to everyone to check the phone numbers we have for you. You will be able to change the information in the system or the way you wish to receive messages so it fits your preferences.

Parents can find out more information about IRIS by viewing their website (www.useiris.com). Contact information is available on this website should you have questions regarding the system or you can reach them by calling 1-866-270-0120.

Please make sure we have the following information:

Child's Name: _____

Parent's Name: _____

Cell Phone: _____

Work Phone or
additional Cell Phone _____

Home Phone: _____

Email 1: _____

Email 2: _____
