2023 STCS SUMMER READING Incoming Eighth Graders

May 22, 2023

Dear Parents and Students of the Incoming Eighth Grade Class,

This summer we will read *Treasure Island* by Robert Louis Stevenson and *No Promises in the Wind* by Irene Hunt. I hope your child will enjoy these novels as much as I do.

As your child reads through each novel, they are to write answers to the study questions for each book. The written answers will be submitted in the fall. We will also conduct several in-class literature circles where students discuss their reflections on each novel.

If there are questions regarding the summer reading, please contact me at sklumpenhauer@sttheresacatholicschool.org

sub vexillo Christi,
Dr. Klumpenhauer
